

# Hoot Owl, Master of Disguise

## Chef's Paper Hat and Paper Plate Pizza

Let's make Hoot Owl's final  
costume disguise and a  
mouth-watering pizza!

## Paper Plate Pizza

## You will need:

- paper plate
- red paint & paint brush
- coloured paper OR white paper and felt pens
- pompoms/buttons (optional)
- glue
- holepunch
- scissors
- approximately 70cm of string or ribbon

## How to make:

1. Paint the paper plate red so it looks like the tomato sauce on a pizza. Leave it to dry.
2. For the pizza topping decoration, you could either draw the toppings on white paper, colour them in with felt pens and cut out OR ...

3. ... draw outline shapes on coloured paper and cut them out. I also added pom-poms for colour and texture.
4. Glue the toppings onto the pizza. Leave to dry.

5. Using the holepunch, make 2 holes at the top of the plate.
6. Thread a length of ribbon through each hole and tie a knot to make a loop.
